

Engineering

Objective:

Relocate to downtown Seattle for greater exposure, access and attraction of talent. Utilize this move to create stunning new space that also provides efficiencies, flexibility and versatile team settings. The space is an ideal combination of dazzling settings with practical workspace for an impressive office.

Specifics:

65 workstations and 3 private offices with multiple open collaborative areas. Innovative large project/conference room that can change into a versatile all company meeting space. Multiple open and closed options for small meetings.

Solution:

Workstations: Herman Miller Canvas, Layout Studio, Personal Storage Tower, Renew height adjustable tables.

Common areas highlight: Geiger, Watson, Bernhardt, Herman Miller classics, Keilhauer and others.
