

Technology Start up

Objective:

To open their initial office space for attraction of partners and investors. The result was an open, creative, cost effective yet versatile working environment for a wide range of people. The space fosters collaboration while offering efficient standardized workspaces. The historic post and beam building is an ideal complement to their lean, innovative and contemporary approach and culture.

Specifics:

30 workstations with multiple collaborative areas. Creative enclosed meeting/project/conference rooms along with multiple open and closed options for small meetings. Settings of soft seating sprinkled throughout the space.

Solution:

Workstations: HAT height adjustable tables/screens, Sit on It Task chairs.

Common areas: Herman Miller Social chairs, Herman Miller Eames molded side chairs, Herman Miller Eames meeting tables.
